To whom it may concern,

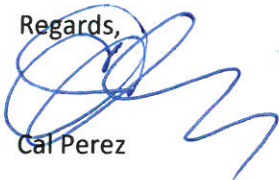

I'm writing this letter as a testament to Cade Lacy's exemplary character, work ethic, and leadership traits.

I've known Cade Lacy for the past 8 years. I was the Manager of the Arizona Raiders Baseball team when Cade earned a spot on our team in 2012. Cade has always displayed a respectful nature towards his teammates as well as coaching staff, and was always one of the hardest working members of the team. We ran a highly competitive youth baseball club and made it clear that although everyone would be provided the opportunity, it was up to the individuals to 'earn' their place on the team as well as playing time. Since an early age Cade demonstrated a tenacity and focus beyond his years, and was always ready and willing to compete and earn his place on, as well as the respect of, the team.

I'm proud to write this letter today assuring anyone who reads it that Cade Lacy is a hardworking, respectful young man who possesses high morals and natural leadership qualities. Anyone seeking a high level, gifted student/athlete to represent their school or program would benefit from having Cade Lacy in their camp. Cade's positive character traits, coupled with his exceptional work ethic, and God given natural athletic abilities is a trio that would benefit the best schools and/or programs in the country.
