**Recommendation for Cade Lacy**

To Whom it May Concern;

I have worked very closely with Cade during the few years that he has attended Perry High School. Cade has excelled in athletics and academics, exhibiting one of the highest levels of productivity I have seen in an athlete during my 18 years of coaching. Cade is not only able to perform with the top athletes in this program, he is definitely a standout talent that is able to adapt to new situations while consistently maintaining a top-notch performance on the field.

Cade possesses the ultimate "can do" attitude while taking on all tasks with a positive energy and enthusiasm. His "I'll finish when I'm done" personality is engaging, which makes him natural born leader that his teammates want to follow. He is very punctual and does not miss workouts, team or individual meetings.

There will be no unpleasant surprises with Cade and what he will bring to your program and I am confident he will fit in and add to team morale.

I volunteered to write this recommendation for Cade because I am very grateful for his contributions to my coaching career and am very confident that he has the intelligence, work ethic, and grit to add value wherever he lands.

Please feel free to contact me if you have any questions about this outstanding young man.

Sincerely,
